

Volunteer at the Museum!

Join our volunteer team! A variety of jobs and projects are available. Volunteer training, learning about local history and exploring the Museum “behind the scenes” are all part of the volunteer experience.

Greeter

Greeters will assist at the Front Desk/Museum Store and are an integral part of the visitors' overall experience. The front desk greeter is the first contact visitors have when entering the Museum. Volunteers are needed during our open hours Tuesdays through Sundays.

Gallery Guide

Would you like to learn about Siouxland history and share that knowledge with others? Gallery Guides must enjoy working with the public and will be responsible for leading our school and adult groups through the Museum.

Special Event Support

Help set up, serve refreshments, greet visitors and assist staff members at special events throughout the year.

Children's Program Assistant

Do you like to make crafts, play games and introduce children to the world of history and culture? We need your help with our scout and youth programming.

Archival Assistant

A variety of projects are available in our archives. We need help organizing and updating our collections of photographs, manuscripts, clippings, books, oral histories and more. Organizational skills are helpful in this job.

Oral History Assistant

We could use your help researching and conducting oral history interviews. Knowledge of local history and organizational skills are helpful in this position.

Sgt. Floyd River Museum and Welcome Center

Duties include greeting and helping the visiting public, phone work, and gift shop sales. No prior experience is necessary, but a general knowledge of Sioux City, its history and points of interest are helpful. A volunteer can sign on a regular weekly basis or as a substitute. Contact the Sgt. Floyd staff (712) 279-0198 for more information. It's a great place to volunteer!
