## **Museum receives Cultural Leadership Partnership grant**

The Sioux City Public Museum was recently awarded a \$14,400 Cultural Leadership Partnership (CLP) program grant from the Iowa Department of Cultural Affairs.

The Sioux City Public Museum is one of 58 arts and cultural organizations receiving FY10, FY11, and FY12 general operating support through the CLP Program.

"We are pleased to once again benefit from funding provided by the Iowa Department of Cultural Affairs," said Steve Hansen, Museum director. "The support provided by this grant allows us to bring valuable cultural opportunities to this part of the state."

The Cultural Leadership Partnership program represents arts and cultural organizations that demonstrate an exemplary record of programming and managerial excellence and community service on a year-round basis to the citizens of Iowa. The Iowa Department of Cultural Affairs believes these partnerships are a shared investment in a vigorous and rich cultural environment that improves the quality of life for all Iowans.
