

***A trip to the Museum Store is available at the conclusion of your visit. Feel free to copy this list of inexpensive store items for your students so that they can determine in advance what items they would like to purchase. We ask that only six to eight students use the store at once.***

***There is no tax on items sold in the store. Please bring money in small denominations if possible (i.e. \$1 or \$5 bills). All proceeds go to support educational programs. Thank you.***
